

DREDGING & MARINE CONSULTANTS/FLMS SCHOLARSHIP GOLF TOURNAMENT

MONDAY, JUNE 13, 2011
AT WORLD GOLF VILLAGE
ST. AUGUSTINE

As part of DMC's corporate goal in supporting our efforts to educate the future lake managers, we have organized this 2nd Annual FLMS Golf Tournament to raise funds that will go 100% towards supporting FLMS scholarships to college students that are seeking to enhance their interest in lake management by enabling them to attend our annual conference. This is the second golf tournament that FLMS is hosting to raise funds and we look to all our members in supporting FLMS in this very worthy cause. Our Goal is to raise \$1,000 and with the quality membership we have at FLMS, this goal is attainable. We hope to continue this as part of our annual conference and make it worth while for those giving generously to this cause. We thank you for your support. Even if you are not playing and wish to donate to this cause, please send any amount to the address below and we will recognize you or your organization at our conference luncheon.
